

“ I really enjoy my time in JPCi. It's really great to have a community where you can learn the Bible and encourage each other through prayers, especially when you are facing difficulties as a student in Newcastle. I was also encouraged to go back to my hometown and make a difference!”

*Stella, INDONESIA*

“ My time in JPCi has been fulfilling and good. It is a scintillating experience to study the Bible together and relate with brothers and sisters from different countries and cultures. There are great opportunities in JPCi to make friends. My faith in God has been able to grow, as well as in others as we study the Bible and encourage each other.”

*Steve, NIGERIA*

“ JPCi is a family in Jesus Christ for international students, where we are protected and nurtured by God's word. There are plenty of opportunities to learn and serve. The most useful thing I've learned is how to lead a Bible study. I'm thankful to God for leading me to JPCi.”

WHAT'S ON FOR  
**INTERNATIONALS**  
AT JESMOND  
PARISH CHURCH?

JPC *internationals*

# A very warm welcome to Jesmond Parish Church (JPC)

We are a very international church with students (both undergraduate and postgraduate), language students, visiting scholars and workers and families from all over the world – over 30 nationalities are represented. We meet together on Sundays and in smaller groups during the week.

**On Sundays, we have services both in the morning and in the evening**

We meet to hear God speak as the Bible is read and applied to our lives today and to encourage each other through praying and singing together. Everyone is welcome to come – you do not need to be a Christian. The morning services have children's groups.

If you are an undergraduate student you are welcome to join the famous Student Supper after the 6:30pm evening service – a hot filling meal and a chance to get to meet other students at the church.

Here are some of the groups and activities we run for internationals at Jesmond Parish Church during the week.

## JPC Internationals every Friday, 6–8pm at 3 Osborne Road

The best way to belong to JPC is to join JPC Internationals where we meet together to hear a Bible talk and then move into small groups where we study the Bible and help each other to apply it to our lives and pray together. We have specific **groups for Mandarin speakers**. If you are new to Christianity, or would like to know more about what Christians believe, we have **beginners small groups** where you can learn more about Jesus and ask any questions you may have.

## The Globe International Student Café every Monday, 7–9:30pm in the church halls

This is a fun place to make new friends and practise your English over a hot meal and fun activities. We also run day trips, weekends away and a weekly free English conversation class. Run by Christians in Newcastle.

For more information, see [www.the-globe.org](http://www.the-globe.org)

## JPC Internationals Mandarin Fellowship every Sunday afternoon

If you are a Mandarin speaker, whether you are investigating the Christian faith or a Christian wanting to know Christ better and serve others, you are also welcome to join our JPC Internationals Mandarin Fellowship. The afternoon will include times of singing, a talk from the Bible and time in small groups with plenty of opportunity to ask questions and encourage one another to get to know and follow Jesus. **All ages welcome.**

We'd love you to have your details so we can keep in touch with you about what's on for internationals at JPC!
