We all want to be happy. Why is lasting happiness so hard to find?

Life Explored is a relaxed, informal and completely free 7-session series which exposes the little gods that promise us so much happiness, yet deliver so little. Each session features a combination of short films - shot around the world - and Bible interaction. You don't need to know anything about the Bible, and you won't be asked to pray or sing. You can ask any question you like, or you can just sit and listen.

Whoever you are, whatever you're thinking, Life Explored will help you uncover what you're really living for, and see the greatest gift God gives us.
